Jesus' Tomb in India: The Debate on His Death and Resurrection Paul C. Pappas

This investigative work explores the Eastern legend that upon crucifixion, Jesus did not in fact die on the cross but was taken secretly to India, where he lived to a ripe old age and eventually died. The tomb Rozabal, which is located in the proximity of Srinagar, the capital city of the northern state of Kashmir, India, is claimed to be that of Jesus. The book also examines two other important Eastern legends dealing with the death and resurrection of Jesus, those of the shroud of Turin and the holy miracle light of Jerusalem. The book should be of great interest to a wide variety of readers, including religious historians, theologians and common readers, Christian as well as non-Christians.
