Delilah “Doll” Reklinger couldn’t imagine life with anyone other than a Hellion. However, she doesn’t believe a Hellion will come along and prove himself worthy enough to her father, Roundman, Hellions’ Club President. Content in living in the bubble of safety the motorcycle club family provides, Doll doesn’t think danger surrounds her. Roundman has kept the Hellions contained for the last thirty years by controlling the chaos surrounding their lifestyle. When the dangerous side of their business comes knocking on his door, he realizes his precious Doll isn’t safe. The Hellions’ code may be that women and children are off limits, but that doesn’t mean their enemies follow the same moral compass. Roundman makes a decision to send his only child away to a charter club in hopes the trouble won’t follow. Talon ‘Tripp’ Crews has been ordered to take Doll on one ride away to keep her safe. It’s one ride across the country, one simple ride. She’s off limits; his head knows this, but his body can’t deny the sparks between them. Constantly in close confines together, can they deny the chemistry? Will they give in to the attraction between them? Can one ride turn lust into love?
