Essential Gandhi Mahatma Gandhi

By Graham D. Lincoln VINETM VOICE Format:PaperbackIf this is the book edited by Louis Fischer, I recommend it for an Uplifting read, that makes you feel better about the insane world we live in. Gandhi was a great man and, fortunately, he wrote his mental processes down for us to read, today. He believed that we should all stop being ignorant towards one-another, over misunderstandings about religion or skin color and work together to form a more harmonious union as the human race. Gandhi was a Humanitarian and read many Holy Books, therefor understood that everyone can worship their God and live their faith, cooperatively with those of other faiths. Gandhi is a must, for all intellectual minds...and should be for those who are still living with propaganda-filled thoughts of hatred towards others, because they are different.
