The Crime in Evil Mr Murray Raynes

When justice falters, sometimes you just have to fight back... A brutal late night home invasion goes very badly for the attackers when an elderly home-owner fights back and lands a couple of telling blows of his own. Far from being heralded for his bravery however, he comes under attack again... this time from the police themselves, who lay assault charges against him. Advised by a legal service that it would be in his best interests to plead guilty and trust a generous and compliant judge to bring down a decision in his favour, he decides, instead, to tackle the legal system head on and defend himself. In a timely story straight off today's newspaper front pages, the 'little man' twists and turns through the legal system's cruel labyrinth as he tries to get the justice he deserves.
