The Henry Louis Gates, Jr. Reader

Henry Louis Gates Jr.

The Henry Louis Gates, Jr. Reader Henry Louis Gates Jr.

Educator, writer, critic, intellectual, film-maker—Henry Louis Gates, Jr., has been widely praised as being one of America's most prominent and prolific scholars. In what will be an essential volume, *The Henry Louis Gates Reader* collects three decades of writings from his many fields of interest and expertise.

From his earliest work of literary-historical excavation in 1982, through his current writings on the history and science of African American genealogy, the essays collected here follow his path as historian, theorist, canon-builder, and cultural critic, revealing a thinker of uncommon breadth whose work is uniformly guided by the drive to uncover and restore a history that has for too long been buried and denied.

An invaluable reference, *The Henry Louis Gates Reader* will be a singular reflection of one of our most gifted minds.
