The Sword of the Spirit: The Word of God: A Handbook for Praying God's Word Joy Lamb

Whatever the need, great or small, God's Word has the answer. Sword of the Spirit - The Word of God is a powerful handbook for praying the words of Holy Scripture for a variety of needs in different circumstances. It has helped thousands of believers to pray Biblically and effectively for their own needs, the needs of others.

The "Sword" is used daily by "prayer warriors" with many years of prayer experience and equally by young believers only beginning to learn how to pray. God promises to answer prayer that is in agreement with His will, plainly expressed in Scripture. His Word is his will!

Sword is a handy prayer manual for pastors, church workers, lay ministers, intercessors; any believer who wants to pray more effectively. It is helping individuals draw nearer to God personally and to pray focused prayers for their families, friends, churches, nation, and a world that desperately needs God.

"Sword" is a powerful aid to those who seek to obey the words of the Apostle Paul who in 2 Timothy 2:1-2 wrote: "I exhort therefore, that, first of all, supplications, prayers, intercessions, and giving of thanks, be made for all men; for kings, and for all that are in authority; that we may lead a quiet and peaceable life in all godliness and honesty." Sword helps us to pray for our leaders in government, the media, entertainment, education, business, the military and in every other sphere of cultural leadership and influence - those whose actions or inaction will determine the destiny of our nation and the nations.

The Sword of the Spirit is not a book just for reading, but a manual to be used daily for the purpose of prayer by groups and individuals. It is divided into sections of Scriptural prayers for the unity and healing of the Church, salvation, baptism in the Holy Spirit, physical healing, inner healing deliverance, relationships, wisdom and guidance, joy, peace, protection and comfort, the peace of Israel, spiritual revival in our own communities, nation and the nations! And it includes prayer for many other special needs. In the latest edition you will find text and scriptures for teenagers, our nation's youth, and generational healing. Each prayer is accompanied by a Scripture reference.

Praying people around the world own dog-eared copies of the Sword, and many order the book by the caseload for sharing with others. Now you can have the Sword on your Kindle, iPad, Android tablet, smartphone or other mobile device, and carry it with you wherever you go. You can have it as a reference on your laptop or desktop computer with a free Kindle App. Thanks to these innovations, your electronic copy of the "Sword" will never wear out and under the present Amazon policy, you will be able to download updates at little or no cost!
