Coming Into Alignment Graham Cooke
Coming Into Alignment - Second Edition.

True alignment reveals the majesty of God. Ordinary people get glimpses of His splendor. Warriors bask in glory. They are positioned before God in such a way that Heaven is accessible. Warriors have discovered the intentionality of God and have stepped into a higher place of agreement and anointing. In alignment, our truest identity becomes visible and attainable. Our inheritance becomes more powerful because the true resources of God are attached to the one who is in alignment with Him. Alignment is not just an adjustment; it is coordinated intentionality. It is coming into God's order. We think, see and act according to His specifically revealed design and purpose. Warriors know the will of God and have the resources to carry it out in partnership with the Holy Spirit.
