DOOMSDAY (Part 2)

"Curse of the Unicorn" - When a raging dragon threatens her kingdom, Amina's only hope is to become an Alcani warrior and use the magic of the unicorns to protect her people. Which works out great, until an ancient curse starts turning her to stone. On a flying island, Amina confronts the only witches in the world who can save her, but they want her as dead as the unicorns.

"Nightmare of the Faerie" - Niya likes swords, women, and whiskey, mostly in that order. But after a harrowing journey through the dream-world, Niya learns she must give up the weapons she loves so much in order to become a faerie priestess like her mother, the worst fate Niya can imagine. Then they're off to bring the unicorns back from the dead... but that's not all she brings back.

Discover the world of Vaenos, where dragons are weapons of mass destruction, faeries are pests, mermaids are monsters, and everyone has long pointy ears! With five heroines inspired by historical warriors and leaders, this modern twist on old-school fantasy mashes up classics like Lord of the Rings with the funny, sexy, self-aware style of Supernatural, Buffy, Archer, and Rat Queens.
