And to Kat that's a fate worse than debt.

So when Liberty Diamond Mines CEO Susan Sullivan hires Kat to find Liberty's missing CFO and a large sum of embezzled money, she's a little too eager to accept the job. Abject poverty is a great motivator for taking hard cases, but her excitement soon turns to terror when two employees of the company are brutally murdered. Kat realizes that this investigation might be more dangerous than she expected.

As if things weren't complicated enough, she uncovers a sinister connection between blood diamonds and organized crime. All she has to do now is get proof--and keep from getting killed before she exposes the real criminals. With the help of her friends and an eccentric uncle, Kat had better tread carefully or her first case might also end up being her last. . .
