## **Heat Lightning** Raelein MB Haley

"This book is a collection of poetry I have been writing over the years. Some of it has been published in Literary Quarterlies. This book is divided into 5 sections. Each section deals with different aspects of my life. The poems are arranged in a way to evoke emotions I've experienced and to carry you into the book.

It culminates with the last poem designed to make you think-----

Is there still hope? You decide.
