## Letting God - Revised edition: Christian Meditations for Recovery A. Philip Parham

When it was published in 1987, *Letting God* was the first book to explore the themes of the Twelve-Step programs within the context of Christian tradition. Now revised to emphasize its spiritual focus, and including an introduction presenting a monthly theme, each daily reading begins with a selection from the New Testament. These are followed by eloquent, thought-provoking meditations that reveal how the passages apply to Christian living today, and conclude with a brief prayer. This inspiring daily devotional strengthens and encourages the reader, providing sustenance for the soul and practical insights on everyday life.
