Only Children: A Novel Alison Lurie

In the midst of the Great Depression, two families spend a holiday weekend together?but while their daughters cement their friendship, their parents tear their marriages apart.

Dozing in the backseat of her father's car, Mary Ann Hubbard is the happiest eight-year-old in the country. It's 1935, and she and her parents are going to spend Fourth of July weekend with her headmistress and the Zimmerns, whose daughter, Lolly, is Mary Ann's best friend from school. While the two little girls frolic in the attic, endowing the rambling old house with wonder, creativity, and imagination, their parents are downstairs, mired in all the pleasure, pain, and occasional childishness of adulthood.

As an affair threatens to tear the two families apart, Lolly and Mary Ann retreat further into playtime. By the end of the weekend, the girls will begin to realize that becoming an adult and growing up can be two very different things.

Geraldine Louis:

This Only Children: A Novel is great book for you because the content which can be full of information for you who all always deal with world and still have to make decision every minute. That book reveal it info accurately using great coordinate word or we can point out no rambling sentences included. So if you are read the idea hurriedly you can have whole info in it. Doesn't mean it only gives you straight forward sentences but tough core information with attractive delivering sentences. Having Only Children: A Novel in your hand like keeping the world in your arm, info in it is not ridiculous just one. We can say that no reserve that offer you world in ten or fifteen small right but this publication already do that. So , this is good reading book. Heya Mr. and Mrs. active do you still doubt which?

Debra Shortt:

Many people spending their time by playing outside with friends, fun activity with family or just watching TV the entire day. You can have new activity to pay your whole day by reading a book. Ugh, you think reading a book can actually hard because you have to bring the book everywhere? It okay you can have the e-book, getting everywhere you want in your Smartphone. Like Only Children: A Novel which is having the e-book version. So , why not try out this book? Let's view.
