## Subarctic Indians (Native Americans (Heinemann Paperback)) Mir Tamim Ansary

Come along with us as we meet some America's first peoples. Turn the pages of Subarctic Indians to discover what the windigo was and why it turned into a people eating monster, how some Indians used animal bones to heal sick people and give advice, how Subarctic Indians turned their clothing into art. Each book in the Native Americans series explores a different area of our country and the people who first lived there. Find out how these people lived long ago, what happened when Europeans arrived, and how Native Americans today are keeping their cultures alive. Each book includes: colorful maps, photos, and illustrations, a section on famous Native Americans, a list of books to show you where you can learn more.
