**A Behavior Analytic View of Child Development (Nato Science Series B:)** Henry D. Schlinger Jr.

Author Henry D. Schlinger, Jr., provides the *first text* to demonstrate how behavior analysis-a natural science approach to human behavior-can be used to understand existing research in child development. The text presents a behavior-analytic interpretation of fundamental research in mainstream developmental psychology, offering a unified theoretical understanding of child development. Chapters examine mnemonic, motor, perceptual, cognitive, language, and social development.
