## **Boogeyman Dawn** Raina J. Leon

In *Boogeyman Dawn*, Raina Leon explores the space between some of our worst nightmares and the awakening of hope. Leon does not look away from even the rawest of wounds in the psyche, the flesh, and the social body, but it is through carefully wrought images and patiently distilled language that she entices us to follow her gaze and trust that dawn will come. As Leon guides us through her shifting landscape, though she confesses to moments of despair, she always gives witness to the re-emergence of hope.
