**Goodbye Gifts (Castle Mountain Lodge Book 5)** Elena Aitken

Visit Castle Mountain Lodge, where sometimes falling in love—means saying goodbye.

For Carmen Kincaid—the customer service manager at Castle Mountain Lodge—work has always come before love. There's never been room in her busy life for romance, despite what her family would have liked.

Dylan Harrison has always put business first. And with his new project—the Springs resort—only months away from becoming a reality, he needs to focus more than ever.

Spending time together as a minor distraction? Sure.

What neither of them counted on was falling so hard for the other. Especially when a relationship couldn't come at a worse time. But when it comes to love—sometimes there is no such thing as the perfect time.

~A sweet, contemporary romance~
