## **Sidelined (Game On) (Volume 4)** Kyra Lennon

At the age of twenty-one, Bree Collinson has more than she ever dreamed of. A handsome husband, a fancy house, and more shoes than Carrie Bradshaw and Imelda Marcos combined. But having everything handed to her isn't the way Bree wants to live the rest of her life. When an idea to better herself pops into her head, she doesn't expect her husband to question her, and keep her tied by her apron strings to the kitchen. Isolated and unsure who to turn to, Bree finds herself falling back into a dangerous friendship, and developing feelings for the only person who really listens to her. Torn between her loyalty to her husband and her attraction to a man who has the perfect family she always wanted, she has some tough choices to make. While Bree tries to figure out what she wants, a tragedy rocks the Westberg Warriors, triggering some dark memories, and pushing her to take a look at what's really important.
