Don't Be Dead - Heartache after the Outbreak Mr Paul Wilcock

Dan Wedlock is a d**k! At least that's what his girlfriend said right before he smashed a hammer into her head and killed her. He had to do it, she'd been infected and was going to turn sooner or later. He may have stopped her from eating him but her words eat away at him for days until a list is drawn up and he searches the country, on a mission to find his ex girlfriends and find out if he really is a d**k, fighting the infected, the survivors and himself along the way.
