EEE 5544 Lecture Notes

John M. Shea

EEE 5544 Lecture Notes John M. Shea

Lecture notes for EEL 5544 Noise In Linear Systems, a graduate course in probability and random processes for electrical engineers at the University of Florida. Although much of the material here would be a good review for anyone interested in probability, random variables, and random processes, this book does contain many space for examples that are covered during the class.
