Hornblower Addendum - Five Stories (Hornblower Saga Book 12) C. S. Forester

Five adventures of Horatio Hornblower, two as Lieutenant, two as Captain, and one as Admiral of the Fleet, collected here for the first time. These stories about daring exploits, compassion, and challenging discoveries were written outside the confines of books and were published by magazines. Here the author has given free reign to his character - creating unique circumstances to further the development of Hornblower's character. A potential mutiny thwarted, an Irish uprising outfoxed, help to hundreds, managing a healthy sea voyage for an ailing monarch, and meeting once again Napoleon Bonaparte - very different insights into this complex man Hornblower.
