I am so tired of PENGUIN and PANDA updates. Aren't you?

After reading this book, it will change your view on online marketing.

Just as a river carries water to the ocean, Google drives traffic to these ultimate traffic sources. Would you rather swim in an ocean or river?

During the last 2 years, Google has rolled out more updates than they have in the previous 10 years. I have personally seen businesses going either bankrupt or suffering severe losses.

Google updates have harmed businesses that solely relied on Google organic traffic more than those who used PPC advertising, social media, and email marketing.

Traffic sources that we will discuss in this book:

1. Blogs 2. Forums 3. Q and A Sites 4. Kindle Books 5. Emails 6. Build an 'Asian Sales Army' (special chapter you can't miss)
