What could be better than this? *Out on the Porch* is a year of pure serenity and relaxation. Every month, the good life beckons: the pleasure of putting up your feet, sipping a glass of cold lemonade, spending time with a book or perhaps with a friend in breezy conversation. And oh, the view! A rustic cabin porch in Michigan looks out over lush green woods. A sun-dappled California porch is the perfect spot for tea. And in Maine, a pretty white porch is made especially inviting with a wicker swing and overstuffed pillows. Accompanying the full-color photographs are beguiling porch quotes from literature.
