Religious Thought in the Eighteenth Century: Illustrated from Writers of the Period

Religious Thought in the Eighteenth Century: Illustrated from Writers of the Period

Originally published in 1934, this book contains passages from a variety of well-known writers illustrating the changes and developments in thought concerning religion during the eighteenth century. Dealing primarily with the movement of thought in England, the text reveals the impact of Enlightenment ideas upon established religious principles and institutions. The selected writers are all given a brief biographical introduction. This book will be of value to anyone with an interest in eighteenth-century history and theology.
