Running with the Bulls: Fiestas, Corridas, Toreros, and An American's Adventure in Pamplona Gary Gray

In "Running with the Bulls," Gary Gray grabs hold of us and takes us on a grand and intimate tour of one of Spain's most passionate and historic cities. In 1926, Ernest Hemingway brought the frenetic charge of Pamplona's Festival of San Fermin to life in *The Sun Also Rises*. Today, that same energy still exists for the thousands who descend upon the city each July. At the center of the celebration is the famous encierro -- the running of the bulls. Gray, a professor of finance at Penn State, has participated in the encierro every year for over two decades. He has befriended dozens of Pamplonicas, many of whom are closely tied to the inner circle of the Festival. From this unique perspective, he leads us on several crazed sprints through the Plaza de Toros as half-a-dozen bulls, each bred to kill, rush from behind with hot breath and razor-sharp horns. He explains the history and pageantry behind the corrida (the Spanish bullfight); takes us to witness the religious pilgrims on their somber march, and pulls us into a pulsing Spanish street dance. We taste the richness of each meal and fullness of each glass of wine, as the wonders of Pamplona are revealed through his eyes. At once a rousing adventure of an American man seduced and a beautifully rendered portrait of Spain and her culture, "Running with the Bulls" is sure to be a classic of travel literature for years to come.

From reader reviews:

Pamela Dudley:

Do you have favorite book? If you have, what is your favorite's book? Publication is very important thing for us to be aware of everything in the world. Each book has different aim or perhaps goal; it means that e-book has different type. Some people experience enjoy to spend their time and energy to read a book. They may be reading whatever they get because their hobby is definitely reading a book. Consider the person who don't like reading through a book? Sometime, man feel need book once they found difficult problem or exercise. Well, probably you will want this Running with the Bulls: Fiestas, Corridas, Toreros, and An American's Adventure in Pamplona.

Christine Erhart:

Nowadays reading books are more than want or need but also turn into a life style. This reading addiction give you lot of advantages. The benefits you got of course the knowledge the particular information inside the book this improve your knowledge and information. The information you get based on what kind of guide you read, if you want attract knowledge just go with education and learning books but if you want really feel happy read one with theme for entertaining such as comic or novel. The Running with the Bulls: Fiestas, Corridas, Toreros, and An American's Adventure in Pamplona is kind of guide which is giving the reader capricious experience.

Arthur Prince:

Information is provisions for individuals to get better life, information currently can get by anyone with everywhere. The information can be a know-how or any news even a concern. What people must be consider while those information which is inside former life are hard to be find than now could be taking seriously which one is appropriate to believe or which one the actual resource are convinced. If you receive the unstable resource then you get it as your main information it will have huge disadvantage for you. All those possibilities will not happen in you if you take Running with the Bulls: Fiestas, Corridas, Toreros, and An American's Adventure in Pamplona as the daily resource information.

Jeff Brown:

Are you kind of active person, only have 10 or maybe 15 minute in your day time to upgrading your mind skill or thinking skill actually analytical thinking? Then you are experiencing problem with the book as compared to can satisfy your limited time to read it because this all time you only find e-book that need more time to be go through. Running with the Bulls: Fiestas, Corridas, Toreros, and An American's Adventure in Pamplona can be your answer given it can be read by you actually who have those short time problems.
