For the audiences of *#GIRLBOSS* and viewers of *Shark Tank*, a global revolution in entrepreneurship is underway, inspiring women to blaze a trail of financial self-reliance and become self-made.

What does it mean to be self-made? It's not just about having money, but financial empowerment is where it begins. It means getting out of survival mode, in which you are one problem away from catastrophe. It means changing your mind-set from instant gratification to goal orientation. It means being able to sleep at night without worry. It means being rich in every way: rich in money, rich in family, rich in love, rich in time - abundant!

For Nely Galán - entrepreneur, TV producer, and real estate mogul - helping women to become self-made is a movement and a mission. Galán pulls no punches. She is the straight-talking friend and mentor you've always wanted, and here she shares valuable, candid, no-nonsense lessons learned on her own path to becoming self-made ("There is no Prince Charming"; "Think like an immigrant"; "In your pain is your brand"; "Don't buy shoes; buy buildings!"). You'll hear inspiring stories of women who started and grew businesses out of ingenuity, opportunity, and need. You'll find exercises to help you identify your goals and your strengths. You'll learn tips and tricks for saving money, making money, and finding "hidden money" that can help jump-start your self-made dreams.

When you become self-made, the change in you inspires change in those around you, because one of the greatest rewards of a self-made life is seeing how the sparks from your personal revolution can light a fire in others. So come, join the self-made movement. The revolution starts inside of you!
