## **Sound, Lighting and Video: A Resource for Worship** Brad Herring

Lights, Camera, Worship! is a manual for all of your technical needs. To draw people into your church with incredible worship experiences, you need to learn more about how to get the most from your lighting, sound, video, and projection systems. This is your one stop resource!

Written by an experienced professional and consultant, this book will show you how to successfully run the major components that, done correctly, will make your church presentation the absolute best it can be and will draw more people in! This is packed with information that will not only show you how to use the technology, but how to troubleshoot and problem-solve in the areas you need it most from running a new control board to uniting your lighting and audio visual systems as one integrated unit. This won't just show you how to operate your systems - it will make your production go from OK to WOW!
