- You don't have to be a trust fund kid or savvy entrepreneur to redesign your life - this book shows you how.

Written for professionals, burnt-out city slickers, corporate refugees, disillusioned 30-somethings, dedicated parents who want the best for their kids, mid life crisis sufferers, baby boomers whose retirement dreams evaporated in the GFC and anyone who suspects that there's more to life but don't know what it is or how to get it.

Even if you're in a good place in your life, chances are you know someone who isn't. Buy them *The Great Life Redesign* to get them out of that rut and into a life they'll love.

Testimonials:

"Why isn't my life the way I want it to be?" Rephrase this to 'What can I do to make my life the way I want it to be' and you have this book. A practical and effective guide to helping ordinary people do extraordinary

things. No over the top enthusiasm but inspiring, good straight forward advice to help people stop procrastinating and make life the best it can be." Genevieve Hawkins

"Caroline Cameron does a great job at explaining how to simplify life in the 21st century. While I am on the younger end of the spectrum from just finishing college and currently trying to find a job in the field in which I studied, the lessons are still relevant. Foresight is a good thing and if I can possibly prevent some of the scenarios Cameron describes or catch them before it becomes difficult to change, all the better. The rat race is more universal than we may believe and hopefully some of those caught in it can read this book and find a way to get out." Emily Mishler, Goodreads
