The Physical Sciences: An Integrated Approach Robert M. Hazen, James Trefil

Science is central to daily life. As consumers, we are besieged by new products and processes, not to mention a bewildering variety of warnings about health and safety. As taxpayers, we must vote on issues that directly affect our communities - energy taxes, recycling proposals, and more. A firm grasp of the principles and methods of science will help you make life's important decisions in a more informed way.
