Studio photography is a common career path for aspiring photographers and students but the professional and commercial nature of the field makes it a challenging area to break into.

Whilst other introductory books on the subject are often bogged down with too much technical detail or too many 'show-off' shots, *Studio Photography: Essential Skills* offers a practical and accessible guide to the fundamental techniques for successful studio photography. Whether photographing a person or a product, you need control over the light, mood and look to arrive at the perfect result for a particular assignment. This book takes a commercial and creative approach and considers the important elements of lighting, exposure, capture, art direction and the studio setting to ensure a successful shoot.

With a clearly structured learning approach and a wide variety of activities and assignments to inspire and engage you, this is an informative, stimulating guide to the basics. Broaden your skills and increase your earning potential with *Studio Photography: Essential Skills*!
