Whiz Comics #155 During the Golden Age of comics Captain Marvel was one of the top super-heroes of the world. Along with his growing family of heroes - Mary Marvel, Captain Marvel, Jr., and others, they at times dominated the comic book landscape. Captain Marvel did his part, the comic legends agree, to help America and her allies win World War Two, while keeping crime at bay domestically. While Captain Marvel was undoubtedly the star of Whiz Comics, he shared the spotlight with a group of other great heroes - - Golden Arrow, Spy Smasher, and Ibis The Invincible, to name a few - - who also did their part to fight evil and entertain the youth of America! Now you can enjoy again - or, for the first time - these exciting stories, colorful characters and amazing adventures, with the full-color public domain reprint. We are publishing the entire line of Whiz Comics ---- individual issues, 3-Issue collections and giant 6-issue SUPER COLLECTIONS ---- look for them from Golden Age Reprints and UP History and Hobby! NOTE: Many rare comics are difficult to find in excellent condition. Many of the early Captain Marvel comics are currently only available from microfiche. As new files become available the books will be updated, but many reflect the age, wear, and rarity of the originals.
