A New Way To Do Math - A Simple Paper: A Paper On Teaching Kids Math The Oriental Way Simon Smith

This is more a paper than a book as it's very short. After reading an inspirational book that explained how the West is a year behind the Far East in math by the age of 5 years old, I decided to create a new system of doing math and a new way of looking at numbers. This method is simpler, more logical, and easier to understand, teach, and think through.
