Zombies don't belong in fairy tales...at least not those with a good chance of a happily ever after... Jason Prince, Charming's once-upon-a-time star jock, only attends his Charming high school reunion to find his way into the heart of a certain wallflower who had no date for the prom. Shy, geeky, chemical engineer, Emma Fay has been keeping her love for Jason a secret because she knows Jason and Rose belong together. But, when Rose Briar pricks her finger, fulfilling a prophecy about death and a plague, she throws a wrench into the class reunion that not even the best planning committee can tackle. Can Jason and Emma stop Zombie Beauty Rose before she turns their loved ones into her undead court and sends them forth to spread the infestation to the rest of the world? Or will human flesh become the daily special at diners everywhere? And will there be enough left of Jason and Emma for romance to blossom?
