Autonomeia 2009 Calendar Of Jubilee Saints

Autonomeia's new large-trim Jubilee Saints wall calendar for 2009! The 17th, and still going strong! Hundreds of radical cultural and political heroes are celebrated here, along with the animating ideas that continue to guide this project—a reprieve from the 500-year-long sentence to life-at-hard-labor that the European colonization of the "New World" and the ensuing devastations of the rest of the world has represented. It is increasingly clear—at the dawn of this new millennium—that the Planetary Work Machine will not rule forever! Celebrate with this calendar on which every day is a holiday, and for which each day has a radical hero!
