Do I Know God?: Finding Certainty in Life's Most Important Relationship Tullian Tchividjian

As the grandson of Billy and Ruth Bell Graham, Tullian Tchividjian grew up hearing the Christian faith preached to millions. Yet he struggled to come to faith personally. His first book, *Do I Know God?* captures the sincerity and intensity of his own spiritual quest, and shows the way for a new generation of seekers.

Combining careful thinking, warm personal story, and an exceptional grounding in biblical truths, Tullian delivers trustworthy answers to the questions you've been asking:

- Is it really possible to know God?
- Is being “spiritual” or “religious” the same thing as having a relationship with God?
- What is the relationship between saving faith and good works?
- How does believing God’s promises assure me of salvation?
- How do my feelings for God affect my relationship with him?
- How can I trust that God is present when I feel only his absence?
- Can a relationship with God assure me of a future with him in eternity?

Do I Know God? was written with a wide range of readers in mind: those outside the Christian faith, newer Christ followers who feel confused about their relationship with God, and long-time Christians who have never gotten clarity on key questions like eternal security and assurance of salvation, faith and works.

Tullian shows readers how to discover a genuine, vibrant and enduring relationship with God. And it all begins with the vital question: *Do I Know God?*
