If The Seas Catch Fire L.A. Witt

Sergei Andronikov was a child when the Mafia wiped out his family, leaving him with nothing but a hunger for revenge. Years later, through ruthless strategy and tireless patience, he's a contract killer working for the three families ruling Cape Swan... and he's nearly in position to bring them all down from the inside.

Domenico "Dom" Maisano is Mafia royalty, a made man... and a hitman. He's caught up in a violent life he can't escape, struggling to maintain an image he doesn't want, and suppressing desires he can't have.

A chance encounter throws the killers into each other's paths. Though Dom knows he's playing a dangerous game, he's intrigued and keeps coming back. Sergei can't resist him either—Dom is everything he set out to destroy, but he's also everything he's ever ached for in a man.

Then Sergei gets the contract he's been waiting for—the hit that promises to bring the town's Mafia to its knees.

But when a boss makes an unexpected move, Sergei must choose between dropping the hammer on the families he vowed to annihilate, and protecting the man he swore he wouldn't love.

And the wrong choice—or even the right one—will destroy them both.
