Is it possible to love your child too much? A question often asked, but never clearly answered until now in Drs. Tim Clinton and Gary Sibcy's new book *Loving Your Child Too Much*. It is a difficult balance to love your child well without overindulging, overprotecting, and overcontrolling. Clinton and Sibcy help parents achieve that balance as well as addressing other questions such as "How to distinguish between showing love and indulging our kids to the point that it is harmful for them?" and "Why do parents keep doing what doesn't work?" Understanding how you were loved as a child will help you find your own unique, God-given, loving style so that you can raise happy, well-balanced kids.
