Wuthering Heights Emily Bronte

Perhaps the most haunting and tragic love story ever written, *Wuthering Heights* is the tale of Heathcliff, a brooding, troubled orphan, and his doomed love for Catherine Earnshaw. His desire for her leads him to madness, however, when Catherine is made to marry a wealthy lord, sending Heathcliff on a life-long quest to avenge himself upon those who stole his only love and his life.

In this gripping chronicle of the never-ending conflict between the heart and the mind -- and the pain and passion of true romance -- Emily Brontë created an unforgettable classic saga of love, desperation, vengeance, and forgiveness. Published just one year before Brontë's death in 1848 at the age of thirty, *Wuthering Heights* endures as one of the world's greatest love stories and a classic of English literature.
