American Widow

Alissa Torres

American Widow Alissa Torres

"At the heart of "American Widow" is the notion of Sept. 11 as a personal, rather than a national or political, tragedy, which, this achingly tender work reminds us, is exactly what it was." -- *LA Times*

Want to honor those who passed during 9-11? Turn off the stupid documentary glorifying all of those images we've seen over and over, and read this sincere account of how that fateful day effected one person that represents all of us." — Aint It Cool News

"[A] raw, occasionally maddening, bracing graphic memoir... Unbearably moving." — The *New York Times* Book Review

"Reading it, you feel that Torres could be your friend or neighbor; she makes an epic tragedy intimate." — *Newsday*

On September 10, 2001, Eddie Torres started his dream job at Cantor Fitzgerald in the North Tower of the World Trade Center. The next morning, he said goodbye to his 7½-months-pregnant wife, Alissa, and headed out the door.

In an instant, Alissa's world was thrown into chaos. Forced to deal with unimaginable challenges, Alissa suddenly found herself cast into the role of "9/11 widow," tossed into a storm of bureaucracy, politics, patriotism, mourning, consolation, and, soon enough, motherhood.

Beautifully and thoughtfully illustrated, *American Widow* is the affecting account of one woman's journey through shock, pain, birth, and rebirth in the aftermath of a great tragedy. It is also the story of a young couple's love affair: how a Colombian immigrant and a strong-minded New Yorker met, fell in love, and struggled to fulfill their dreams. Above all, *American Widow* is a tribute to the resilience of the human heart and the very personal story of how one woman endured a very public tragedy.

From reader reviews:

Sheri Furlong:

As people who live in the modest era should be update about what going on or details even knowledge to make these people keep up with the era and that is always change and move ahead. Some of you maybe may update themselves by reading through books. It is a good choice to suit your needs but the problems coming to a person is you don't know what one you should start with. This American Widow is our recommendation to make you keep up with the world. Why, because book serves what you want and want in this era.

Sergio Kelley:

Nowadays reading books be than want or need but also turn into a life style. This reading routine give you lot of advantages. Advantages you got of course the knowledge the particular information inside the book this improve your knowledge and information. The info you get based on what kind of publication you read, if you want get more knowledge just go with schooling books but if you want sense happy read one using theme for entertaining for example comic or novel. Typically the American Widow is kind of book which is giving the reader erratic experience.

Joyce Washington:

Often the book American Widow will bring someone to the new experience of reading any book. The author style to elucidate the idea is very unique. When you try to find new book to read, this book very suitable to you. The book American Widow is much recommended to you to see. You can also get the e-book in the official web site, so you can easier to read the book.

Christopher Hardnett:

This American Widow is great book for you because the content that is full of information for you who all always deal with world and also have to make decision every minute. This kind of book reveal it details accurately using great coordinate word or we can state no rambling sentences inside. So if you are read that hurriedly you can have whole facts in it. Doesn't mean it only provides you with straight forward sentences but hard core information with beautiful delivering sentences. Having American Widow in your hand like finding the world in your arm, information in it is not ridiculous a single. We can say that no e-book that offer you world inside ten or fifteen tiny right but this e-book already do that. So , this really is good reading book. Hi Mr. and Mrs. hectic do you still doubt that?
