Beyond This Moment (Timber Ridge Reflections Book #2) Tamera Alexander

From the USA Today bestselling author of *From a Distance and To Whisper Her Name* comes the second book in the Timber Ridge Reflections series...

When Dr. Molly Whitcomb, Professor of Romance Languages, steps off the train in Colorado Territory, she makes a choice--one that goes against everything she stands for. Yet it's the only choice that offers her a chance to regain a fraction of all she's lost.

Sheriff James McPherson's instincts about people rarely miss the mark. He senses Professor Whitcomb is hiding something. He just doesn't know what. When James learns Molly's secret, his own reputation is undermined. But when Molly Whitcomb's reinvented life begins to unravel, it threatens his job, the stability of Timber Ridge, and what he always knew to be true about himself.

Beyond This Moment, 2011 Christy Award finalist
