Camp Rock: Second Session #8: The Right Chord James Ponti

SERIES DESCRIPTION: Mitchie made it through the first session at Camp Rock and managed to snag the heart of popstar Shane Gray and perform in the famous Final Jam. Now, in these all new original stories, the second session of Camp Rock is in full swing and that means more singing, songwriting...and serious drama are going to take center stage.

Camp Rock: Second Session #8: The Right Chord

Camp Rock's second session is coming to a close. Actually, it has already officially ended, but there are a few campers remaining a day or two after everyone else has left. Some are there because schedules have dictated it. (Tess Tyler's mom isn't back from her world tour yet, Caitlyn's parent's are going to pick her up in the RV they've been driving across country all summer.) Others are helping get everything boxed up and put away. (Mitchie is helping her mother, while Shane is helping his uncle.) The end result is that Camp Rock is a pseudo ghost town. The perfect setting for Brown's History Mystery.

To make sure that everyone has fun until the very last minute, Brown has come up with a final night production. He has assigned each of the campers a specific time and era of rock history. They have to get dressed in the appropriate clothes (Lorraine is in heaven designing last second costumes) and perform a song from that era.

But, Brown has added a twist. Before they can perform, they have to solve a mystery that will send them chasing clues all around the camp.
