JUST LOOKING: A stepbrother romance Kendra Edge, Sadie Somerton

There's no harm in looking...

I never planned to do it.

Watch him. *Spy* on him.

I'm not that kind of girl.

Or, at least, I never thought I was.

Especially *him*. Robbie Fulton. Arrogant and selfish. A user of women. A player.

Robbie Fulton: son of my mother's fiancé.

This whole thing... it's wrong. So very very wrong.

This vacation was supposed to bring us all together. Make us feel closer.

But not like *that*...

JUST LOOKING: A story of temptation and desire. A story of voyeurism and seduction. A story of taking things too far.

*This is a standalone adult romance, with the emphasis on the 'adult'. This edition also includes **two free bonus stories**.*
