Description Go the F**k to Sleep is a bedtime book for parents who live in the real world, where a few sozing kitties and cutesy rhymes don't always send a toddler sailing blissfully off to dreamland. Profane, affectionate, and radically honest, Adam Mansbach's verses perfectly capture the familiar - and unspoken - tribulations of putting your little angel down for the night. In the process, they open up a conversation about parenting, granting us permission to admit our frustrations, and laugh at their absurdity. With illustrations by Ricardo Cortes, Go the F**k to Sleep is beautiful, subversive and pants-wettingly funny - a book for parents new, old and expectant. You probably should t read it to your children.
