Inside she knew he was cheating but couldn't accept the idea. Not JoJo, she had a perfect and wonderful husband and two great kids. No, it wasn't supposed to be this way, but is, and she's left with two little kids and a backpack of bad promises. She flees in the night and spends the early dawn breathing cold sea air on the Tybee Island of her youth. As reality soaks through, along with cold salt air and sea, she realizes she's left her kids with a too-young babysitter and left the car lights on—both all night. Her best friend, Charon, sells real estate and tries to interest JoJo in the business. Still cheating, Eddie derides her every move. Charon sees his manipulations as totally obvious but can't reach her friend. JoJo makes her share of common mistakes, but benefits greatly from the tutoring of her good friend and succeeds on pure guts and determination. Eddie's behavior in and out of the business take a terrible toll, but it is Charon who commits the unthinkable. Follow with JoJo through the twists and turns of a new real estate career, a cheating husband, and tactics of his strange cohorts until she learns and earns her way to a new life.
