What if? What could have been? If only...

Angels and demons await us at the crossroads of our decisions. In the light of day, our choices seem rational. Masters of our own fate, we control the future. In the dead of night, second thoughts plague the mind and doubts torment the hapless.

Let DeadPixel Publications take you to places where choices lead to the unexpected and bizarre. Eleven writers explore those pivotal moments where fateful decisions have profound consequences. Hope and horror, regret and adventure, passion and murder. Sometimes, the angels of our better nature abandon us to our own folly. And once and a while, they give us a kick in the ass.
