The Myth of Certainty: The Reflective Christian and Risk of Commitment Daniel Taylor

Do you feel equally uncomfortable with closed-minded skepticism and closed-minded Christianity? If so, then *The Myth of Certainty* is the book for you. Daniel Taylor suggests a path to committed faith that is both consistent with the tradition of Christian orthodoxy and sensitive to the pluralism, relativism and complexity of our time. Taylor makes the case for the reflective, questioning Christian with both incisive analysis and lively storytelling. His brief fictional interludes provide an alternative way to explore key issues of belief and vividly depict the real-life dilemmas Christians often face. Taylor affirms a call to throw off the paralysis of uncertainty and to risk commitment to God without forfeiting the God-given gift of an inquiring mind. Throughout he demonstrates clearly how much the world and the church need people--maybe people like you--who are willing to ask tough questions.
