The Routledge Atlas of the First World War (Routledge Historical Atlases)

Martin Gilbert

The Routledge Atlas of the First World War (Routledge Historical Atlases) Martin Gilbert

From its origins to its terrible legacy, the tortuous and bloody course of the Great War is vividly set out in a series of 164 fascinating maps. Together the maps form a comprehensive and compelling picture of the war that shattered Europe, and illustrate its military, social, political and economic aspects. Beginning with the tensions that already existed, the atlas covers:

* the early months of the war: from the fall of Belgium to the fierce fighting at Ypres and Tannenberg

* the developing war in Europe: from Gallipoli to the horrors of the Somme and Verdun

* life at the front: from living underground, the trench system and the mud of Passchendaele to the war graves

* war in the air and at sea: from the Zeppelin raids to the battles in the North Sea, shipping losses and the Atlantic convoys

* technology and the new horrors: from phosgene gas attacks to submarines, tanks and mines

* the home fronts: from German food riots to the air defence of Britain, the Russian Revolution and the collapse of Austria-Hungary

* the Aftermath: from war debts and war deaths to the new map of Europe.

From reader reviews:

Mark Logan:

Do you have favorite book? When you have, what is your favorite's book? Guide is very important thing for us to understand everything in the world. Each guide has different aim or even goal; it means that reserve has different type. Some people really feel enjoy to spend their a chance to read a book. They can be reading whatever they get because their hobby is usually reading a book. Why not the person who don't like studying a book? Sometime, man or woman feel need book whenever they found difficult problem or even exercise. Well, probably you will need this The Routledge Atlas of the First World War (Routledge Historical Atlases).

Anthony Pippin:

Book is to be different for each grade. Book for children till adult are different content. As you may know that book is very important for us. The book The Routledge Atlas of the First World War (Routledge Historical Atlases) ended up being making you to know about other know-how and of course you can take more information. It is very advantages for you. The reserve The Routledge Atlas of the First World War (Routledge Historical Atlases) is not only giving you far more new information but also for being your friend when you feel bored. You can spend your own spend time to read your book. Try to make relationship with all the book The Routledge Atlas of the First World War (Routledge Historical Atlases). You never really feel lose out for everything in the event you read some books.

Jill White:

As people who live in often the modest era should be update about what going on or facts even knowledge to make them keep up with the era that is certainly always change and progress. Some of you maybe will certainly update themselves by reading through books. It is a good choice in your case but the problems coming to a person is you don't know what type you should start with. This The Routledge Atlas of the First World War (Routledge Historical Atlases) is our recommendation to make you keep up with the world. Why, as this book serves what you want and want in this era.

Katrina White:

Information is provisions for people to get better life, information these days can get by anyone at everywhere. The information can be a information or any news even an issue. What people must be consider while those information which is in the former life are difficult to be find than now could be taking seriously which one is acceptable to believe or which one the resource are convinced. If you find the unstable resource then you have it as your main information you will have huge disadvantage for you. All those possibilities will not happen throughout you if you take The Routledge Atlas of the First World War (Routledge Historical Atlases) as the daily resource information.
