Before I Do: A Legal Guide to Marriage, Gay and Otherwise Elizabeth F. Schwartz

Not long ago, same-sex couples had to jump through endless hoops to make their relationships even close to legal. Happily, those days are over. Same-sex couples no longer have to operate as outlaws—they too can have in-laws! But here's the rub: many gay and lesbian couples, accustomed to living off-grid, are so thrilled to have the benefits of marriage that they gleefully jump into marriage without fully understanding the consequences.

In her first book, *Before I Do*, leading gay rights attorney Elizabeth F. Schwartz spells out the range of practical considerations couples should address before tying the knot. With cameos from some of the most prominent LGBT family law professionals, Schwartz explains all of the implications of marriage from name changes and getting a license to taxes, insurance, social security, and much more. Substantial chapters on estate planning, pre- and post-nuptial agreements, and organizing finances make *Before I Do* relevant for all couples, young and older, and is a crucial handbook for anyone considering marriage—because, as Schwartz explains, just because you *can* get married does not mean you *should*.
