Sometimes going hard means sacrificing the very thing you love the most in order to be at the top. Gwen knows firsthand about this sacrifice as she struggles to get her son back from a killer who is heartless and bent on revenge.

Niya on the other hand is sitting at the top of the throne. although she will have to determine whether or not she'll sacrifice her and her girl's lives in order to make MHB a dominate force in North Carolina's drug trading business. She's about to find out that playing with the big boys has its consequences, unless you are really about that life.

Put ya seatbelts on and get ready to ride into the next chapter of MHB. Trust and believe everybody is bound to crash on the road to the top and the fall to the bottom. Blake Karrington takes you back down the southern streets that made him the King of the Literary south.
