A war is brewing between good and evil, in the heavens and upon the earth—a war that could destroy the very fabric of the universe. As the underworld amasses its power and warriors of heaven prepare their weapons, the clock ticks towards doom. The fate of all rests with Alogar, a gentle little entity incarnated as an earth-born child, to prevent the collapse of both realms. Set in the anxious days of the Cuban Missile Crisis, *In God We Trust* questions the nature of free will, destiny and the immorality that comes with the wielding of immense power. All that has been, and will be, was pre-destined—until now. Will Alogar be able to return the world to its pre-ordained path? Or will the forces of evil prevent the entity from fulfilling its own destiny?
