Straight Talk About Professional Ethics Kim Strom-Gottfried

How does one make the right choices when faced with ethical dilemmas? Social service professionals use a unique set of principles to guide their decisions within a broad and complex array of situations. *Straight Talk about Professional Ethics, Second Edition* provides readers with the guidelines that will help them make decisions in a manner that is clinically and ethically effective. This book explains the seven core concepts that guide ethical practice in the helping professions: self-determination, informed consent, competence, confidentiality and privacy, attention to conflicts of interest, maintenance of professional boundaries, and professionalism and integrity. Developing a commitment to the ethics of a profession and an understanding of how those ethics apply to commonly occurring workplace situations is a major element of professional preparation.

Features: Case examples of dilemmas drawn from various practice settings and professional roles; Framework for examining, evaluating, and addressing ethical dilemmas; In-depth look at the various areas of ethics; Practical guidance and sound resources; A discussion of what it means to be ethical;
